

I'm an aspiring entrepreneur and digital nomad with a crazy goal of being the next big disruptor someday. My mind is constantly tinkering for the next big idea while embarking on a journey of never-ending learning. I am challenge-driven and a hustler of calculated risk. People describe me as eloquent, highly passionate and street-smart.

SKILLS

ALICE NG

ASPIRING DIGITAL NOMAD

"I seek to be inspired by the world and see obstacles as an opportunity to learn and grow. My strengths involves being highly motivated as I am laser-focused on my goals and my expectations of my future."

EDUCATION

Techcove

March 2017

Certificate of Achievement in Beginner Coding Bootcamp

First-hand experience in coding: HTML, CSS, and Javascript to build my own website.

Temasek Polytechnic

2010 - 2013

Diploma in Apparel Design and Merchandising

Comprehensive exposure in arts and design with overall focus on fashion and the industry. It was through the internal and external curriculums that I found my entrepreneurial interest and calling.

EXPERIENCE

Forex Trading

Dec 2016 - Current

Amateur foreign exchange trader who focus mainly on technical analysis execution using scalping strategy.

OCBC Bank

July 2015 - April 2017

Being in the banking and finance industry fostered my awareness of the economy, while my role as a customer service provider has given me unprecedented insight on the importance of customers in a business.

Earlier Ventures

March 2013 - April 2015

Sales: My first few jobs dealt with sales of many forms, such as corporate sales, telemarketing sales, and direct sales. These experiences greatly honed my soft skills and confidence for which are greatly valuable on both personal and professional level.

Administrative: The experiences I gained while working in administrative roles allowed me to develop my organizational skills and office management strategy to maximize workplace productivity and efficiency.
